

Area 11—Birdcage Heights Neighborhood Association (BHNA) Monthly Meeting

SEPTEMBER

You've worked hard
all your life, and a chunk of each
paycheck went to Social Security.
Will it be there when you need it?
This month, **Mr. Clark Snitco of Mass
Mutual Financial Group** will speak
to us regarding the present and
future of Social Security.

In addition, **CHPD POP Officer
James Garing** will provide a
monthly update of City activities.

Please bring supplies for our School
Backpack Drive. Pencils, note-
books, rulers, erasers...anything a kid
could need. You can find them on
sale anywhere. Help us help the
needy kids in this neighborhood.
