

# LOCK IT & BLOCK IT

## INFORMATION SHEET

Name: \_\_\_\_\_

Phone Number: \_\_\_\_\_

Email Address: \_\_\_\_\_

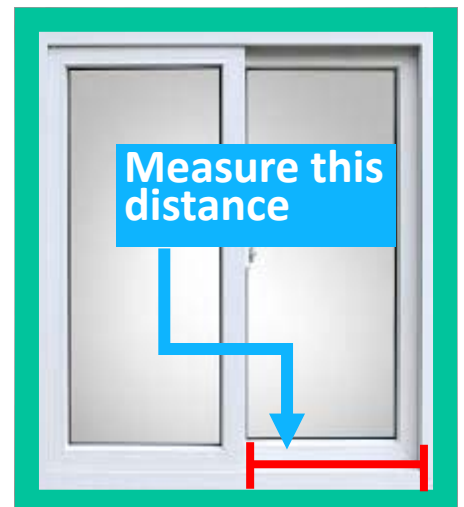

Physical Address: \_\_\_\_\_

Window Tracks Widths: \_\_\_\_\_

Sliding Glass Door Tracks Widths: \_\_\_\_\_

Check here if you would like for us to cut your dowels 2 inches shorter, to allow fresh air into your home.

**Instructions: Measure the tracks where your windows and sliding glass doors slide to open, as shown in the picture. Subtract about 1/2 of an inch to allow some "wobble room" to allow the dowels to be easily put in and removed.**

If you cannot attend one of our "Lock It & Block It" events, bring this form to the Citrus Heights Police Department, and we'll be happy to assist you.
