Citrus Heights Police Launch New APP

The Citrus Heights Police Department is proud to announce the launch of a new CHPD phone Application (APP) for users to interact with the Department. This APP can be downloaded from apple, google, and android platforms.

Users may subscribe to alerts and press releases as well as browse for special events, photos, and crime tips. To locate the app, search for Citrus Heights Police in the app store.

CHPD launched the official Citrus Heights PD Facebook page last week, and this new APP is another tool to enhance the interaction with the community and the Police Department. Please share this information with others as we are looking forward to connecting in more ways with the community.
