

## Notice to Citrus Heights Residents

Each year Allied Waste Services and the City of Citrus Heights evaluate costs of providing residential waste and recycling service to residents of Citrus Heights. The evaluation includes review of labor, fuel, vehicle replacement, vehicle maintenance, disposal and other costs. **As a result of the annual review, there will be a slight increase (less than 3 percent) to the monthly service rate.**

Effective May 1, 2010, rates for the three different service levels will be as listed below:

Cart Size	Old Monthly Rate	New Monthly Rate	Change in Monthly Rate
32-gallon garbage	\$19.03	\$19.56	\$ 0.53
64-gallon garbage	\$21.15	\$21.73	\$ 0.58
96-gallon garbage	\$26.43	\$27.05	\$ 0.62

Your rates for residential waste and recycling services are still among the lowest in the region, AND many extra services are included at no additional cost to the customer.
