Dear Sacramento County Board of Education Trustees,

The American River Collegiate Academy, part of the Rocklin Academy Family of Schools, is planning to bring a campus to, or near, the City of Citrus Heights. The Rocklin Academy Family of Schools has a strong track record of academic success.

The Citrus Heights City Council are strong supporters of public education and believe in high-quality public school choice in the City of Citrus Heights that will benefit students, families, and the community as a whole. On behalf of the City of Citrus Heights and in response to the high level of community support, the City Council strongly supports the Academy in bringing this academic option to our community. We urge the Sacramento County Board of Education to approve this application.

Sincerely,

Jeff Slowey
Mayor
