Natalee Price

City Council Member, District 5

**TYPE NAME:**

Restaurateur / Businesswoman

**OFFICE SOUGHT AND DISTRICT NUMBER, IF APPLICABLE**

**OCCUPATION:**

**QUALIFICATIONS:**

I look for opportunities to improve the lives of others; my seat on the council is no different.

During COVID, I was responsive. I navigated distance learning for three young children while completing CSUS with honors as a first-generation student. With Resilience, I kept my local restaurant operating without government relief. Securing resources and partnerships, I helped lead a successful grocery distribution program that served 10,000+ people and earned a Lions Clubs International 'Kindness Matters Service Award'. I earned a national 'Community Leadership Award' on March 23, 2022.

As a working-class citizen, I believe that economic growth should not come from tax increases, instead we should reallocate funds and exhaust outside resources to improve budget sustainability. I will strive to produce safe, secure neighborhoods; strengthen, and expand successful programs; and actively improve Citrus Heights.

Our children deserve leaders who first listen and then amplify the voices of their community when making policy. I seek office because I know I am right for Citrus Heights. I don't believe I have all the answers, but I know together our community does. I served the public for 14 years, but only your vote will make me a public servant.
