NOTICE OF PUBLIC HEARING

NOTICE is hereby given that **September 13, 2023, at 6:00 p.m.**, or as soon thereafter as the matter may be heard, the **Planning Commission** of the City of Citrus Heights will hold a Public Hearing for the consideration of the project listed below.

Project Name: Sylvan Corners Subdivision

Project Number: PLN-22-28

Project Location: 7137 Auburn Blvd, an 11.34 acre parcel located at the northwest corner of Auburn Blvd/Sylvan Rd (APN # 211-0020-025-000)

Project Description: The applicant is requesting approval of a General Plan Amendment, Rezone, Ordinance Text Amendment, Tentative Subdivision Map, Design Review Permit and Tree Permit for the proposed Sylvan Corners Subdivision. The development proposal includes the creation of 94 lots and 6 open space lots to allow for 94 for-sale single-family homes. Project amenities include a passive recreation lot, five open space lots with pedestrian pathways connecting to the adjacent Sylvan Plaza, Sylvan Middle School and the larger open space (detention basin) on the south end of the site. The homes will consist of two housing types: traditional single-family style on 70 lots and smaller alley-loaded homes on 24 lots. The project also includes a provision for 14 homes sold to income-qualified persons as required by the Surplus Lands Act (GC Sections 54220 through 54233). For additional details on the project including the layout and grading, design and landscaping plans, visit the City's website www.citrusheights.net/292/current-projects or contact the City Planning Division at 916-727-4740.

Environmental Determination: An Initial Study was prepared to identify and assess the anticipated environmental impacts of the Sylvan Corners Subdivision to satisfy the California Environmental Quality Act (CEQA). CEQA requires that all state and local government agencies consider the environmental consequences before approving those Projects. The Initial Study determined the Project may have a significant impact on the environment, but that by incorporating specific mitigation measures the impact will be reduced to a less than significant effect and a Mitigated Negative Declaration (MND) was prepared. In accordance with CEQA, the Initial Study/Mitigated Negative Declaration was circulated for a 30-day public review and comment period (July 28 – August 28). A copy of the MND is available on the City's website www.citrusheights.net/934/Public-Notices
