Office sought: City of Citrus Heights City Council, District 2

My name is: MariJane Lopez-Taff

My occupation is *(50-character limit, including spaces)*: Citrus Heights City Councilmember

My qualifications are:

We deserve safe neighborhoods, better streets, low taxes, affordable housing, and more opportunities to thrive. To accomplish this, we need to elect people who listen to residents and demand action.

That's what I have done as Citrus Heights Mayor and Councilmember: I listen, do my homework, and then work hard to find solutions. I have demanded accountability and responsible leadership, supported community engagement, and delivered measurable results. No one has all the answers - but together, we can make the best decisions.

I have worked to attract investments that make our community better, including the future Sunrise Sports Center. I have championed housing affordability through partnership with Habitat for Humanity to build single-family homes on Sayonara Drive. I am steadfast in my demands for fiscal responsibility and ensuring transparency.

We should always work for a better future - but never at the expense of the people who already call Citrus Heights home. I will continue to prioritize public safety, economic growth, attainable housing, and road improvements to preserve the quality of life that makes Citrus Heights a great place to call home.

I am honored to have earned the support of trusted leaders like Supervisor Rosario Rodriguez - and will work hard to earn your support. I respectfully ask for your vote. www.VoteForJane.com

I have prepared the above candidate statement (pursuant to Elections Code §13307) and I understand that Sacramento County is mandated under the Voting Rights Act to provide materials and information in English, Spanish, Chinese, and Vietnamese. There is no refund in the event of County Voter Information Guide delivery delays for printed statements. This submission form is **NOT** representative of final appearance in print or electronic versions of the County Voter Information Guide.
