My occupation is *(50-character limit, including spaces)*: VETERINARIAN / Attorney / Businesswoman

My qualifications are:

Elected in 2022, I served as Mayor in 2024/2025. I'm proud to bring extensive experience and a collaborative spirit to our city. I've developed a reputation for doing my homework, asking tough questions and listening to all viewpoints before making decisions. I'm committed to making decisions that reflect community values, aware that these decisions affect seniors, families, small businesses and future generations.

Since cityhood, I have passionately championed our neighborhood associations and launched the national award-winning Senior Health Fair. I was honored to receive the Heroes of Human Services Award for dedication to the people of Citrus Heights.

Together, we've achieved incredible milestones over the last four years! Our city is cleaner, safer and our roads are being renewed – all while maintaining a balanced budget with no debt or new taxes. Exciting projects like the Sunrise Sports Center are just the beginning of our bright future.

I'm eager to continue this momentum by furthering empowerment of our neighborhoods and ensuring our local businesses experience unprecedented prosperity. By staying transparent and working together, we can make Citrus Heights a vibrant, thriving home for everyone.
