I. INTRODUCTION

The City of Citrus Heights receives Community Development Block Grant (CDBG) funding from the U.S. Department of Housing and Urban Development (HUD) for housing and community development activities that primarily assist low- and moderate-income persons. In accordance with HUD regulations (24 CFR 91.105), the City is required to adopt and adhere to a detailed Citizen Participation Plan that sets forth policies and procedures for public involvement in development, implementation and evaluation of the City's CDBG programs and related HUD programs.

The City will take whatever actions are appropriate to encourage the participation of all citizens, including minorities, persons with limited English speaking proficiency, persons with disabilities and residents of public and assisted housing.

Since the amount of CDBG funding the City receives each year from HUD is in part based upon the level of both poverty and substandard housing conditions in Citrus Heights, it is necessary to encourage the participation by low- and moderate-income persons, particularly those living in slum and blighted neighborhoods and in areas where CDBG funds are proposed to be used.

This Citizen Participation Plan is available to the public.

A. The Consolidated Plan Process

The primary purpose of the CDBG Program is to improve communities by providing decent housing, a suitable living environment and/or expanding economic opportunities, principally for low- and moderate-income persons.

CDBG is a flexible program that provides communities with resources to address a wide-range of community needs. The City is responsible for developing its own priorities and programs within HUD guidelines through the consolidated plan process. To develop and implement an effective program, the City will engage residents, local and regional agencies, the Continuum of Care (Sacramento Steps Forward), businesses, developers, nonprofits institutions, philanthropic organizations and community-based and faith-based organizations at each stage of the process, including:

- Identification of housing and community development needs.
- Development of Five-Year Consolidated Plan that establishes the City's needs, program goals and funding priorities.
- Preparation of an Annual Action Plan that outlines the proposed use of each year's funding allocation.
- Preparation of a Consolidate Annual Performance Evaluation Report (CAPER) that provides an account of expenditures and program accomplishments.

- Development of an Assessment of Fair Housing (AFH).
- Consideration of substantial amendments to the Citizen Participation Plan, Consolidated Plan, Annual Action Plan, CAPER, and AFH.
- Providing public comment and hearings for proposed plans.

II. CITIZEN PARTICIPATION

A. *Citizen Participation Plan*

The Citizen Participation Plan is designed to facilitate and encourage public participation in the Consolidated Plan process, including the development of the AFH. The purpose of the Citizen Participation Plan is to encourage the involvement of low- and moderate-income persons, particularly those persons living in an area where CDBG funds are proposed to be used, and by residents or predominantly low- or moderate-income neighborhoods.

In addition, the City encourages, in conjunction with consultation with public housing agencies (PHAs), the participation of residents of public and assisted housing developments (including any resident advisory boards, resident councils and resident management corporations) in the process of developing and implementing the Assessment of Fair Housing and the Consolidated Plan, along with other low-income residents of targeted revitalization areas in which the developments are located. The City will make an effort to provide information to the Sacramento Housing and Redevelopment Agency (SHRA) about the Consolidated Plan and Annual Action Plan activities related to its developments and surrounding communities so SHRA can make this information available at the annual public hearing(s) required for the PHA Plan.

Citrus Heights will use the following procedures for the adoption and any subsequent changes to its Citizen Participation Plan:

- Place a public notice in the *Sacramento Bee* newspaper, at City Hall and on the City's website in advance of, or concurrent with, the start of a 30-day public comment period.
- During a 30-day public review and comment period, the document will be available for review at the following locations:
 - Citrus Heights City Hall (6360 Fountain Square Drive)
 - Sylvan Oaks Library (6700 Auburn Boulevard)
 - City of Citrus Heights website (www.citrusheights.net)
- Copies of the document will be available to the public free of charge within five days of a request.
- Conduct a public hearing before the City Council.

- Following the 30-day public review and comment period and closing of the public hearing, the Citizen Participation Plan will be adopted if approved by a majority vote of the City Council.

Any change in the public participation process as outlined in this document will require an amendment to the Citizen Participation Plan. Any amendments will require the same steps as outlined in this section.

B. Assessment of Fair Housing, Consolidated Plan and Annual Action Plan

The Assessment of Fair Housing (AFH) is an analysis of fair housing issues in the Citrus Heights and the Sacramento region that results in goals the City sets forth to achieve during the annual planning cycle. The Consolidated Plan is a five-year planning document that identifies the needs of low- and moderate-income persons and areas of the city and sets forth a to address those needs. The Annual Action Plan identifies the specific needs to be addressed each year based on the priorities established in the Five-Year Consolidated Plan strategy. The following steps outline the opportunities for public involvement in the AFH, Consolidated Plan and Annual Action Plan process.

1. Preparation

Community input is essential to determining fair housing challenges and goals, as well as housing and community development needs and priorities. In order to obtain community input, the City will:

- Gather and analyze historical and existing data on topics such as community demographics, housing conditions, and fair housing issues, and make this data publicly available for the benefit of residents, public agencies and other interested parties.
- Consult with local and regional public agencies that assist low- and moderate-income persons and target areas, including City staff, state and federal agencies, neighboring local governments and regional agencies.
- Consult with private agencies, including local and regional non-profit service providers and advocates. Such agencies may include the local public housing agency (Sacramento Housing Redevelopment Agency), mental and physical health agencies, fair housing service providers, homeless service providers, the Continuum of Care (Sacramento Steps Forward), affordable housing developers, social service agencies (including those focusing on services to children, the elderly, persons with disabilities, persons with HIV/AIDS, persons with substance abuse problems, etc.), education and employment training agencies, business and civic leaders, philanthropic organizations, community- and faith-based organizations, state and/or local health and child welfare agencies with information on lead-based paint hazards and poisonings, broadband internet service providers, organizations engaged in narrowing the digital divide, agencies whose primary responsibilities include the management of flood prone areas, public land or water resources and emergency management agencies.

- When preparing the AFH, consult with community-based and regionally-based organizations that represent protected class members, organizations that enforce fair housing laws (such as the California Department of Fair Employment and Housing), fair housing organizations, nonprofits and other public or private fair housing service agencies.
- Publicly notice and conduct a public meeting to solicit input on needs and priorities.
- Publicly notice a 30-day review and comment period during which a complete draft of the AFH, Consolidated Plan and/or Annual Action Plan will be made available to the public.
- Conduct a public hearing before the City Council prior to the adoption of the AFH, Consolidated Plan and/or Annual Action Plan.

2. Adoption

As noted above, the City will provide several opportunities for citizen involvement during the AFH, Consolidated Plan and/or Annual Action Plan process prior to adoption. Including:

- Hold at least one or more public meeting on the topic of fair housing issues during the preparation of the AFH, and one or more public meetings on community needs and priorities during the preparation of the Consolidated Plan and/or Annual Action Plan.
 - Publish notice of a public meeting in the *Sacramento Bee* newspaper, at City Hall and on the City's website at least seven days in advance of the meeting.
- Provide for a 30-day public review and comment period for the draft AFH, draft Consolidated Plan and/or draft Annual Action Plan. This notice must include a summary of the contents and purpose of the proposed AFH, Consolidated Plan and/or Annual Action Plan. The notice must also include how the plan is available in different formats to persons with disabilities and translated into different languages if needed. A reasonable number of free copies will be provided upon request.
 - Publish a public notice of the review and comment period in the *Sacramento Bee* newspaper as well as on the City's website in advance of, or concurrent with the start of a 30-day public comment period. The notice will list the locations where the document(s) will be available for review.
- During the 30-day review and comment period, drafts of the AFH, Consolidated Plan and/or Annual Action Plan will be available at the following locations:
 - Citrus Heights City Hall (6360 Fountain Square Drive)
 - Sylvan Oaks Library (6700 Auburn Boulevard)
 - City of Citrus Heights website (www.citrusheights.net)

- Conduct at least one public hearing prior to adoption by the City Council of the AFH, Consolidated Plan and/or Annual Action Plan.

In preparing the AFH, Consolidated Plan and/or Annual Action Plan careful consideration will be given to all comments expressed by the public, whether given as verbal testimony at the public hearing or submitted in writing during the review and comment period. The final documents will have a section that presents all comments and explains why any comments were not accepted.

At the end of the 30-day comment period, the City Council will consider adoption of the AFH, Consolidated Plan and/or Annual Action Plan. The documents will be adopted by a majority vote of the City Council at a publicly-noticed meeting.

C. Amendments

The City may propose amendments to the Consolidated Plan, Annual Action Plan and/or revisions to the Assessment of Fair Housing (as applicable). There are two types of amendments:

- A “**Minor Amendment**” pertains to the Annual Action Plan and involves carrying out an activity or program previously described in the existing Annual Action Plan, but includes a change in the amount of funding. The City’s Development Specialist II may administratively amend, up to the substantial amendment threshold, the existing budget for activities or programs to efficiently expend funds (including program income) related to previously disclosed activities or programs in accordance to the intent of the funds identified in the previously undertaken citizen participation process. In addition, an existing activity or program can be cancelled administratively if no funds were expended, and said funds can then be allocated to an existing Annual Action Plan activity, program, or applicable contingency fund to be allocated to one or more future activities or programs at a future date. A Minor Amendment does not require additional citizen participation.
- A “**Substantial Amendment**” involves one or more of the following actions:
 - Funding of an activity or program not previously described in the Annual Action Plan.
 - Changing the purpose, scope, location or beneficiaries of an activity.
 - Modifying the priorities described in the Consolidated Plan.
 - Increasing or reducing the amount allocated to an activity by more than 25 percent, with the exception of activities that are cancelled with expenditure of funds.
 - Making a change to the previously adopted AFH as a result of a material change in circumstances affecting the information on which the AFH was based to the extent the analysis, the fair housing contributing factors, or the priorities and goals of the AFH no longer reflect actual circumstances (for instance, a significant change that impacts the City’s ability to carry out the

AFH, such as new significant contributing factors, civil rights findings, a substantial change in demographics used, a Presidentially-declared disaster, etc.); or resulting from a written notification provided by HUD identifying a material change that HUD believes warrants revisions to the AFH.

There must be reasonable notice of a proposed Substantial Amendment so residents will have an opportunity to review the document and provide comments. The City will use the following procedures for the adoption of any Substantial Amendments to Consolidated Plan document(s):

- A 30-day public review and comment period for the draft Substantial Amendment.
- A public notice of the review and comment period will be published in the *Sacramento Bee* newspaper as well as on the City's website in advance of, or concurrent with, the start of a 30-day public comment period. The notice will list the locations where the document(s) will be available.
- During the 30-day review and comment period, a draft of the Substantial Amendment will be available at the following locations:
 - Citrus Heights City Hall (6360 Fountain Square Drive)
 - Sylvan Oaks Library (6700 Auburn Boulevard)
 - City of Citrus Heights website (www.citrusheights.net)
- Conduct a public hearing before the City Council prior to adoption of the Substantial Amendment.
- A notice will be placed in the *Sacramento Bee* newspaper, at City Hall and on the City's website at least seven days in advance of the meeting. Notice of a public hearing may be combined with notice of a 30-day public review and comment period when both apply to the same document.
- Following the end of the 30-day review and comment period and the closing of the public hearing, the Substantial Amendment will be adopted if approved by majority of the City Council.

In preparing the final Substantial Amendment documents, careful consideration will be given to all comments and views expressed by the public, whether given as verbal testimony at the public hearing or submitted during the review and comment period.

The final documents will each have a section that presents all comments, plus explanations why comments were not accepted (if applicable).

D. Consolidated Annual Performance and Evaluation Report

Every year, the City must submit to HUD a Consolidated Annual Performance and Evaluation Report (CAPER) within 90 days of the close of the program year.

In general, the CAPER must describe how funds were actually used and the extent to which these funds were used for activities that benefited low- and moderate-income people. The following steps outline the opportunities for public involvement in the CAPER process:

- Place a public notice in the *Sacramento Bee* newspaper, at City Hall and on the City's website at least 14 days in advance of a 15-day public comment period. This notice must include a summary of the contents and purpose of the proposed CAPER as well as a list of locations where copies of the entire proposed plan may be examined. The notice must also include mention of how the plan is available in different formats to persons with disabilities and translated into different languages if needed.
- During the 15-day review and comment period, a draft of the document will be available at the following locations:
 - Citrus Heights City Hall (6360 Fountain Square Drive)
 - Sylvan Oaks Library (6700 Auburn Boulevard)
 - City of Citrus Heights website (www.citrusheights.net)
- Conduct one public hearing held before the City Council.
 - Notice of the public hearing will be published in the *Sacramento Bee* newspaper, City Hall and on the City's website at least seven days in advance of the meeting. Notice of a public hearing may be combined with notice of a 15-day public review and comment period when both apply to the same document.
- The Draft CAPER will be made accessible to persons with disabilities upon request. In addition, a reasonable number of free copies will be upon request.
- Careful consideration will be given to all written comments submitted by the public. These comments will be addressed in the final CAPER.
- Following the end of the 15-day review and comment period and the closing of the public hearing, the CAPER will be adopted by a majority vote of the City Council.

III. PUBLIC HEARINGS

Public hearings are required by law in order to obtain the public's views, and to provide the public with the City's responses to public questions and proposals. The law requires public hearings at all stages of the process, including at least one public hearing to discuss housing and community development needs, reviewing proposed use of funds, assessing how funds were spent during the previous program year.

Public hearings will be held only after there has been adequate notice as described in the Public Notice part of this Citizen Participation Plan, including a display advertisement in the *Sacramento Bee* newspaper seven days prior to the public hearing.

Public hearings will usually be held in the evening at a time convenient to most residents, especially those who might benefit from the use of CDBG funds.

Public hearings may be held at the City Council Chambers and other City Hall locations, all of which are accessible by public transportation. Public meetings and public hearings may be held at these locations; however, the final approval and adoption of the Assessment of Fair Housing, Consolidated Plan, Annual Action Plan, and Consolidated Annual Performance Evaluation Report will be conducted at City Hall. All locations are accessible to people with disabilities and provisions will be made for people with disabilities when requests are made at least five working days prior to a public hearing. Also, as required by law, the City will provide the public with reasonable and timely access to local meetings relating to the proposed or actual use of funds (such as City Council meetings, Planning Commission meetings, and other City committee and commission meetings).

Consolidated Plan documents will also be available at the following locations during their respective review periods:

In the event of an address or location change for any of these entities, the City may administratively update this Citizen Participation Plan to reflect the new address or location.
